

“March Weather - Unpredictable”

Devotion for March 2016

Hymn: VU 625 I feel the Winds of God

Scripture:

Reflection:

At a certain age we are all familiar with, “March comes in like a Lion and goes out like a Lamb”. Do you suppose whoever coined that phrase was thinking of Jesus? After all he was a bit feisty like a stormy March day, chastising his own Jewish brethren for their actions, and even using a whip to drive them out of the temple. However at the end he was meek, mild like a lamb, surrendering without a fight and giving in to his captors: no blustering winds or blowing snow, just submission. One wonders what that says about how we enter and exit life. Do we go through life like March weather: changing, unpredictable, stormy, until one day, finally giving in and surrendering to the will of God?

Discussion

Just another thought to kick around and look at how we approach life, like a March storm sometimes and calm and meek another, like Jesus last days?

Hymn VU 530 All Beautiful March of Days

Prayer: Lord we pray for those who are constantly in a stormy unpredictable life. People, who have nothing, yet can retain their faith through everyday life storms while we complain about a bit of stormy weather. Help us Lord to be forever thankful for our daily existence and not be concerned about a bit of stormy weather. Amen
